

“THERE ARE SOUND REASONS WE INVESTED IN CROSS SLOT NO-TILLAGE, INCLUDING THE FACT IT COSTS LESS!”

ONLY A CROSS SLOT CAN

- 
- 1 Give you the confidence you need to commit to no-tillage.
 - 2 Deliver reliable results for pasture, forage and cereal crops.
 - 3 Meet the unique demands of no-tillage for fertiliser placement, depth control and residue management.
 - 4 Provide a cost-effective solution to rising production costs.
 - 5 Give you the competitive advantage needed for your future in farming and/or agricultural contracting.
